

Christmas Shop Donations Wish List

Christmas Shop helps provide gifts and clothing to people in need in Boston. Last year we distributed over 5,200 Christmas gifts with help from our partner churches and organizations. If your church or organization is participating in the Christmas Shop, see below for items requested. Please note, this list will be updated as we continue to receive requests from our Christmas Shop recipients. Check back again for updates! All items must be new, and we cannot accept food items.
