*We Welcome Everyone: An "Open and Affirming" Church*

March 2, 2016

Dear friends,

Stewardship is a word that invites us to look beyond ourselves to the greater whole. Implicit in the term is concern, care and management of that with which we've been entrusted. We are stewards of the church. This is a central place for support, encouragement, and fellowship. Here, we wonder and worship together in a diverse and unified community. **You matter here!** Your thoughts, ideas, and questions are invited and welcomed.

With great joy, I've observed your commitment. I've watched as people have shared of their **time, talent and treasure** to fulfil and broaden the work of Centre Congregational Church. Your hands and hearts make a difference in this church and in the world!

The Apostle Paul says that each of us is a part of the Body of Christ; thus, we've each got a particular function. Some will be able to offer more **time** to the church, others will be able to offer **particular skills**, while still others will be able to share more **financially**. **ALL of these gifts are precious and necessary to a vital and vibrant church.**

Your gifts reach far beyond the building to support and strengthen people through life stages and events. I'm a strong believer in the motto, "Do what you can, when you can, however you can." I believe that Jesus smiles when we consciously realize opportunities to do good works.

Part of what you can offer during both the stewardship and transition processes is your honest input. During this Stewardship Season, you have already begun to consider your hopes and dreams for

Centre Church. I invite you to look beyond the building and look closely at the people that make up this church. **Who are we now?** What needs do you see? What needs do you have? What would help? What can you do? What can we do together?

*I support Debbie Cotting's invitation that you consider increasing your donation by \$10 per week. This increase is less than the cost of your daily coffee or a Friday night pizza. Your financial support is critical to ensure that Centre Church is able to minister to the needs of the faith community and beyond into the wider world.*

In addition, please feel free to think 'outside of the box' with regard to extra ways you may increase your offering to the church. Could you provide a ride for someone who doesn't drive? Would you send a card when someone needs encouragement? If you're handy around the house, what about sharing your gift with someone that needs help? Might you prepare a meal for someone returning from the hospital? What about painting someone's nails? Would you spend an hour or two helping a senior with yardwork this spring? Are you able to visit with someone? These are all ministries of presence.

Jesus said, "I am with you always" and He is! Your stewardship allows us to shine His light into the world. How will you share of your time, talent, and treasure to support and strengthen Centre Congregational Church?

Blessings,

Rev. Estelle

## **Membership News**

Our 5th annual Silent Auction/Trivia Night was a great night of food, fellowship and faith! Ninety plus participants ranging in age from 14 to 90 played trivia, sampled culinary delights, and bid on unique items. Fun was had by all and, in addition, we raised more than \$4,500 for our church!

Stay tuned for details about our upcoming theater matinee outing in April.

## **Trust in the Promise**

God promises a future of hope, and I'm sure God has great plans for Centre Church! We are in the midst of our annual Stewardship campaign – a great time to think about our hopes and dreams for Centre Church. In order to attain our vision for the church, we will need everyone's time, talent, and financial commitment.

Please consider increasing your pledge this year. It would be wonderful if our pledges reflected an average increase of \$10 per week – that amount works out to be a daily cost of less than a cup of coffee at Dunkin Donuts or Starbucks. I know that we would all like to avoid budget deficits, supplemental pledge drives, and dipping into our savings to cover budget short-falls. We can't all pledge the same dollar amount, but we can all give with the same spirit of generosity! So, please be as generous as you can.

We will present our pledges during the service on March 13. If you won't be in church that day, please mail your pledge by March 13. Returning our pledges on time is important. Soon, the Budget Sub-Committee of Parish Council will begin planning the budget for the next fiscal year, which begins on July 1, 2016. Accurate pledge data is crucial to the budgeting process.

Working together, we can help realize God's promise of a future with hope.

**Cradles to Crayons**

On February 17, youth from Centre Church volunteered at Cradles to Crayons in Boston. We sorted and sized a large bin of boy’s pants, then went on to make up outfits and packs of girls’ clothing. We were able to bring in donations that we purchased using funds from the Pumpkin Carving Contest. Five outfits for each child will be made into packs along with toys and books and distributed to children in need across Massachusetts.

Thank you for your generous support.

Thank you all so much. I will miss my Dad a lot, but am fortunate to have many happy memories.  
Love, Karen Harrington
