## Family Programs and Outreach Coordinator

Are you a progressive thinker with a passion for being kind to people and our planet? We're looking for someone with such a mindset who has a knack for organizing people and using social media tools for outreach and positive communication.

The perfect candidate will devote up to 30 hours per week working onsite on Sunday mornings and both remotely and onsite during the week to coordinate programs and service opportunities for children, youth and families. This staff position will support our congregation's community engagement and oversee our digital media strategy.

We are an Open and Affirming congregation of the United Church of Christ, located 13 miles north of Boston. Our dedicated staff and supportive lay leaders are committed to social justice and deepening our faith through service. We follow UCC Safe Church guidelines for all youth activities.

Do your talents and motivation align with our intent to involve families in community service? We'd love to hear your ideas on how we can make a purposeful impact in our area.
